|----------------------------------|--------------|----------|-------------|----------|
| Wheelbase                        | 3400         | 3850     | 4300        | 4750     |
| Overall length                   | 5980         | 6730     | 7230        | 7780     |
| Cab length                       | 1625         |          |             |          |
| Width overall                    | 2135         |          |             |          |
| Cab width                        | 1995         |          |             |          |
| Height overall                   | 2230         |          | 2225        |          |
| Track width                      | Front / rear |          | 1665 / 1670 |          |
| Frame height (at end of frame)   | 830          | 835      | 830         |          |
| Ground clearance                 | 185          |          |             |          |
| Cab to rear axle                 | 2875         | 3325     | 3775        | 4225     |
| Cab to end of frame              | 4270         | 5020     | 5520        | 6070     |
| Max. body length**               | 4985         | 5725     | 6470        | 7210     |
| Frame width                      | 850          |          |             |          |
| Front overhang                   | 1185         |          |             |          |
| Rear overhang                    | 1395         | 1695     | 1745        | 1845     |
| Front axle to front of body      | 625          |          |             |          |
| Recommended distance cab to body | 100          |          |             |          |

## WEIGHTS kg

| Weight  | 46897512          | 46897712 | 46897812    | 46897915 |
|---|-------------------|----------|-------------|----------|
| Empty weight*                                   | 2565              | 2580     | 2615        | 2635     |
|   | Front* / rear*    |          | 1685 / 930  |          |
| Minimum vehicle weight                          | 2660              |          |             |          |
| Gross vehicle weight / gross combination weight | 8550 / 12050      |          |             |          |
| Axle loads                                      | Front / rear      |          | 3100 / 5800 |          |
| Towed weight                                    | Braked / unbraked |          | 3500 / 750  |          |
| Chassis load bearing capacity                   | 5985              | 5970     | 5935        | 5915     |

## CALCULATED OUTPUT

| Output                  | Value        |
|-------------------------|--------------|
| Max. speed              | 129 km/h     |
| Min. turning circle (m) | Kerb to kerb |
|                         | Wall to wall |

\* including coolant, oil, 90% fuel, spare wheel, tools and driver weighing 75 kg; \*\* calculated maximum value. Should be checked depending on the body installed and the particular application  
Subject to change without notice. The information in this data sheet should be considered approximate. The illustrations may show accessories and special equipment not part of the standard specification. This data sheet may also contain models and support services not available in certain countries.
